Wonderland by Night

May 11, 1962

On May 11, 1962, the gymnasium of New Knoxville School was transformed into a "Wonderland by Night." Deep and pale shades of lavender formed the color scheme. The scene was a mass of crepe paper and glitter. The highlight was a romantic bridge arched over a lazily flowing stream bedecked with lily pads. An enjoyable evening was had by all as they danced to the music of the Walkie Davis band.

Class History

We, the graduating Class of 1963, began our education in the 1951-1952 school year. We were a group of twenty-five bright and bubbly first graders.

When we entered second grade, we were twenty-three strong. Paul Dzalamanow had moved to St. Marys and Mack Kruse to Springfield. We gained a classmate in Marilyn Smith who was with us only during our second year.

Our third grade class numbered twenty-three. Judy McKibben and Guy Katterheinrich joined our class, and Marilyn Smith and Nancy Gruebmeyer left us. Near the close of the third year, Sharon Leffel moved to New Knoxville and joined our class.

Our enrollment was raised to twenty-four in the fourth grade. Shirley Homan was the only student to join our class that year.

Our fifth grade class consisted of eleven boys and thirteen girls. Jean Ann Roode and James Buschur joined our class, and Judy McKibben and Gary McCune left us.

Our sixth grade class consisted of twenty-five members. Judy Bowersock and Richard Scheblo joined our class, and Shirley Homan moved to Sidney.

Our membership again changed in the seventh grade. James Buschur moved to St. Henry and Mack Kruse rejoined us after an absence of several years while living in Springfield.

In the eighth grade Jay Siniff moved into the community, giving us a total of twenty-six members. During this year we attended our first high school party.

No changes in membership were made during our ninth grade year. Many of us belonged to the various organizations. We attended the high school parties and had the distinct honor of being initiated.

As Sophomores another change in class membership occured. Gary Bradford and Richard Scheblo moved to Wapakoneta, and Jack Vogan joined our class. We sponsored our first high school party and participated in many other activities while we were Sophomores.

Twelve boys and twelve girls were in our class as we entered the eleventh year. Kelly Napier joined our class, and Jack Vogan left. As Juniors we were truly upperclassmen.

Ten girls and twelve boys make up our graduating class of twenty-two members. We have had many wonderful experiences during our twelve years at New Knoxville Local School and will remember those experiences with fondest memories.
